**Can I drive players other than my son to and from games and scrimmages?**

Yes, that will be possible. Players’ parents will be requested to register as drivers. The process for being a registered driver will include a background check by law enforcement. These details will be covered at the Myrtle Beach meeting.

**We can’t afford the cost for my player to attend. Is there anything that can be done?**

If a player is dealing with financial hardship, please connect with Coach Murphy after player selection. There is a Varsity Club that provides assistance for players in need on a case-by-case basis. This whole process will remain confidential.

**After player selection, there will be a detailed meeting where these questions and more will be answered. Stay tuned for meeting date!**
